

EBA2911 Mathematics for Business Analytics
autumn 2021
Exercises

... if I couldn't formulate a problem in economic theory mathematically, I didn't know what I was doing.

R. Lucas

Lecture 3

on Monday 6 Sept. 15-16.45 in B2-060

Sec. 11.4.1-3, 11.5.1-4: Total present value. Finite geometric series. Annuities.

Here are recommended exercises from the textbook [SHSC].

Section **2.2** exercise 1-14

Section **11.5** exercise 1-5

There is no exercises session after this lecture and thus no exercise session problems.
